

December 2012

Paul Wright

Winter can bring beautiful scenery that's almost postcard perfect – and the annual ceremony of lights on the Altru Campus helps is just one of the many community events that helps put Grand Forks in the holiday spirit.

The City of Grand Forks has more than 700 miles of streets, alleys and trails throughout town that must be cleared when the snow falls. And the streets crew makes quick work of it – normally they can have everything open to traffic within 24 hours. Make sure to observe the street maintenance schedule that's in effect year-round to avoid having your vehicle plowed in or ticketed.
