

June 2012

Marilyn Berke

Our summers are filled with activity. Even so, we still find time to do some relaxing at any of the various shops, coffee houses or unique places of interest to visit in Grand Forks. Don't forget to check out the many "pocket parks" that are featured downtown.

If you're planning a special event, make sure to contact the Public Information Center in City Hall where the staff can help you with all your planning needs.

SEASONAL YARD WASTE COLLECTION SERVICES

From May 9 through September 30 you may place your yard waste (loose in cans—no plastic bags) where you normally place your garbage for pick-up, on your regular garbage collection day. You may also haul it to the landfill or to any of the yard waste sites around the city (see last page for yard waste site locations).
