

March 2012

Parks will soon reopen – including the dog park for our four-legged friends. And don't forget to have your pets licensed with the City of Grand Forks. All dogs and cats are required by city ordinance to be vaccinated and have a valid tag. You can purchase those licenses in the Finance Department at City Hall - 255 N. 4th St. The office is open Monday through Friday from 8 a.m. to 5 p.m. Fees increase after March 1. If your pet should happen to go missing or be picked up by Animal Control officers, a current license will help them be more easily identified and returned to their owners.
