**CODE RED weather WARNING** Sign up for Code Red weather alerts through:  
[www.grandforksgov.com](http://www.grandforksgov.com) or [gfcountry.nd.gov](http://gfcountry.nd.gov)

## Emergency preparedness checklist:

- Prepare ahead of time.
- Find reliable transportation to a shelter. Talk to friends, family, and neighbors to ensure a ride.
- Ensure Loved ones have everything they need, including medication, sanitation, food and water.
- Plan and practice your emergency route. (At least once a month.)
- Know where to seek shelter. If not in a storm shelter, seek out friends basements, or other secure areas.
- If you have pets put your pet in a kennel.
- If you can't be home, ensure someone can take care of your pet. Ask a trusted neighbor friend or family member.
- Do not allow pets to roam loose both in the shelter and after the emergency.
