DATE: March 6, 2019

RE: 2019 Mill & Overlay on S 17th St (17th Ave S to Continental Dr) and Willow Dr

The City of Grand Forks is proposing a paving project along S 17th St (17th Ave S to Continental Dr) and Willow Dr during the 2019 construction season. S 17th St (17th Ave S to Continental Dr) and Willow Dr are proposed to be rehabilitated; this rehabilitation work will include removing the top surface of the existing asphalt, paving a new asphalt overlay, replacing damaged curb, repairing settled catch basins, and other miscellaneous street repairs. We have completed a preliminary design and would like to discuss the project with you prior to proceeding. We are interested in any input you may have about the project, and we are inviting you to attend a public meeting on **Thursday, March 14th from 4:30 pm to 6:30 pm** at **Red River High School**— Red River High School is located at 2211 17th Ave S. Personnel from the City of Grand Forks will be in attendance to review the work planned for this project and discuss any input or concerns that you may have. The meeting will be an “open house” format and you are welcome to stop by at any time.

The project funding will be at 80% City cost and 20% will be special assessed to the benefitting property owners. An estimated range of your special assessment cost for this project and the project assessment district are included.

Should you have any input or questions in regards to this project, but are unable to attend the public meeting, you may contact Public Information Center at (701) 746-4636 or visit www.grandforksgov.com.

Thank you in advance for your cooperation and patience during this project.
