

Thrift Stores Listings/Links:

Thrift and consignment stores accept a variety of items, and many offer free pick-ups available in Grand Forks, East Grand Forks, and surrounding areas. Before you head off to your local thrift store, refer to the list provided below and call ahead to ensure your items are accepted. Acceptance can depend on the item type, facility storage capabilities, and resale potential.

When donated items are clean and in good repair, they can help others in need, allow anyone to save money, and offer unique shopping. Some thrift stores' proceeds help to support a local or regional charitable organization. Both donating and buying 2nd hand reduces waste and the use of resources to make new materials. Thank you!

Did you know even clean, torn clothing can be donated at some stores? Torn or outdated clothing can be re-used in manufacturing, and clothing in good condition that cannot be sold is donated locally or overseas. Clothing donations do need to be washed though.

Although many items are needed and can be resold, some items are not easily or safely resold:

- electronics such as older televisions and entertainment systems
- torn/broken furniture
- Used Children's Car Seats-page down for *Safe Kids Grand Forks'* program for proper recycling of these items.

For household items not accepted by thrift stores, please contact the City of Grand Forks at 311 or 701.738.8740 or go to www.grandforksgov.com for more information regarding disposal.

Car Seats

Safe Kids Grand Forks
860 South Columbia Road
701.780.1489
<http://safekidsgf.com/programs.html>

Safe Kids Grand Forks, in partnership with Waste Management, offers a car seat recycling program. Each spring, donated seats are disassembled and taken for recycling rather than to the landfill. Seats are collected at the Safe Kids office at 860 South Columbia Road throughout the year. They can be dropped off Monday-Friday from 8 am to 5 pm outside Room 204. Please include a note on the seat that says "recycle". You may also drop seats off at any of our car seat check-up event.
