Fax: (701) 787-3744

November 18, 2015

Dear Contractors & Developers:

The City of Grand Forks would like to invite you to a Stormwater Pollution Prevention Plan (SWPPP) educational workshop. At this workshop, you will be provided with information about the City's municipal separate storm sewer system (MS4) permit. This permit, issued by the State of North Dakota, requires the implementation of a stormwater pollution control program. The program must include elements for reducing stormwater runoff related to construction activity.

Workshop topics will include the application process, SWPPP requirements, best management practices (BMPs), construction site inspections and enforcement. A representative from the North Dakota Department of Health will be in attendance to provide information on the State's program and answer any questions related to the General Construction Permit. Additionally, various distributors of erosion and sediment control materials will be available to provide information on their products.

When: Thursday, February 25, 2016 from 8 am to noon

Where: Public Works Facility Conference Room, 724 North 47th St., Grand Forks, North Dakota

Who Should Attend:

- Developers
- Architects and Engineers
- Contractors
- Landscapers
- Utility Companies

There is no charge to attend this workshop, but for planning purposes, we ask that you pre-register by Monday, December 21, 2015. You may use the attached form and send by mail to: SWPPP Workshop, % City of GF Engineering Dept, P. O. Box 5200, Grand Forks, ND 58206-5200 or an electronic form can be filled out on the City's website – grandforksgov.com/engineering.

Please feel free to contact me at twesley@grandforksgov.com or 701-738-8747 if you have any questions.

Sincerely,

Travis Wesley
Stormwater/Wastewater Inspector

cc: Allen Grasser, City Engineer
Rich Romness, Assistant City Engineer
Lisa Botnen, Environmental Manager
