BEFORE THE GRAND FORKS BOARD OF PUBLIC HEALTH,
GRAND FORKS, NORTH DAKOTA

In the Matter of the property located at:	)
610 So. 9th St.	)

ORDER OF ABATEMENT BY
GRAND FORKS COUNTY HEALTH OFFICER

Based upon the Findings, Conclusions and Order of the Grand Forks Board of Public Health dated the13th day of September, 2016 , and further based upon my independent determination, I hereby find that the outdoor property located at 610 So. 9th St. is in a condition which harbors or promotes disease due to a large accumulation of junk, potential infestation with rodents due to food being stored in the yard adjacent to the house, and that such premises are in violation of Grand Forks City Code 13-0614 which makes it "unlawful for any person, firm or corporation to place, leave, dump, or permit the accumulation of any garbage, rubbish, or trash in any building or upon any premises in said city so that same shall or may provide food or harborage for rodents."

I hereby order that the property located at 610 So. 9th St. be, and hereby is, declared to be a nuisance and imminent threat to the public health, safety and welfare due to the accumulation of garbage, rubbish or trash which may provide food or harborage for rodents as prohibited by Grand Forks City Code Section 13-0614, 13-0702 and 13-0703.

I further hereby order that the property located at 610 So. 9th St. be, and herby is, declared to be an imminent threat to public health, safety and welfare as a nuisance, source of filth and/or cause of sickness and further that said property is dangerous and detrimental to the life, safety, general health and welfare to its resident, to adjacent property owners, and to the public in general as provided by N.D.C.C. § 23-35-09.

Therefore, based upon the foregoing, it is hereby ordered that such conditions shall be abated and removed within 30 days of the date hereof.

Should you fail or refuse to comply with this Order, further action may be taken to abate and remove the conditions adverse to the public health interests. The Director of the Grand Forks Public Health Department is hereby so authorized to act to abate and remove the conditions adverse to the public health interests.

Dated this13th day of September, 2016.

DR. JOEL WALZ, Grand Forks Public Health Officer
