Re: Public Input Meeting for 17th Avenue South Reconstruct

The City of Grand Forks is proposing to reconstruct 17th Avenue South from South Columbia Road to South 20th Street during the 2026 construction season. This project will include removing existing pavement, adding a granular base, paving a new concrete surface, bringing sidewalk curb ramps into ADA compliance, and improving storm sewer.

We have completed a preliminary design and would like to discuss the project with you and receive any input prior to proceeding. You are invited to attend a public input meeting on Thursday, February 12 from 4:30 pm to 6:00 pm at City Hall in Council Chambers. City Hall is located at 255 North 4th Street. Staff members from the City of Grand Forks will be in attendance to review the work planned and discuss any input or concerns.

The project is currently proposed to be funded at 70% City cost and 30% special assessed to the benefiting property owners. Along with this letter, you should receive an estimated range of your special assessment cost and a project assessment district map for this project.

Should you have any input or questions, but are unable to attend the meeting, you may contact me at (701) 746-2652 or via email at lletexier@grandforksgov.com.

Thank you in advance for your cooperation and patience during this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Logan LeTexier".

Logan LeTexier, PE
Civil Engineer, Senior

cc Mayor Bochenski
Dana Sande – Council President, Ward 6
Ken Vein – Ward 7 Council Member
Allen Grasser – City Engineer
John Bernstrom – Public Information Officer
